### About This Content

Set the stage for the zombie apocalypse with these thirty new tracks from composer Joel Steudler! Shambling dead will dig in and dine on the festering fears of your game's players with this scary soundtrack. Macabre music events and sinister SFX complete the Mega-Pack, fully equipping you to bring the doom!

Features:

- 
- 30 BGM tracks suitable for battle, dungeons, themes, and towns!
    - 13 unlucky MEs (Musical Events) to set the mood.
  - 30 sound effects including bites, splats, squishes, and scrapes.
    - .ogg and .m4a formats included.
  - Royalty free music to use in your RPG Maker MV projects.

Maker

Release Date: 16 Aug, 2018

b4d347fde0

English,French,Italian,German,Russian,Japanese,Korean,Traditional Chinese,Arabic,Simplified Chinese

---

Pretty decent music and a few sfx in here. The only thing missing is some gun sfx, but it has everything else I need for a good horror type of game.
